Dropping off and picking up your children and other stuff you should know.....

- * Please sign your children in and out of the Club in person. This is very important and MANDATORY!
- * Please be **on time** picking up your children. Staff are scheduled only during hours of operation, they appreciate leaving work on time.
- * Summer heat may mean a trip to Round Lake Beach-*if your child can swim*- please make sure they bring swimwear/towels. Canoe days too! Children will not be permitted to go without a change of clothing.
- * Pop, Chips, candy, and other items will be checked-in when your child arrives if you send that with them....and it will go home with them when they leave. We are on a mission for healthy eating. If you would like more info on our healthy eating initiatives please let us know or join us for one of our Nutrition Education Classes for kids!
- * This Summer we will be charging a \$1.00 a day to attend the Club. This money will help offset some summer expenses as well as meal expenses. If you are interested in paying for the whole summer in one payment please see a staff member. There will be a discounted price if paid in one sum. Compared to daycare prices this is a very minimal fee to pay providing your child will be in a safe and fun place during the day. Thank you for your support!
